Intellimail International Pty Ltd can enable you to communicate directly with your industry, in any part of the world.

Your company is only as effective as the message it can send out.

By talking to the people that need to know about you most, you put yourself in a position to succeed. Intellimail utilises our alliances with multiple list brokers worldwide to assist you in getting your message out.

As the starting point of any direct marketing campaign, the integrity of the database used often determines how successful a campaign will be. Tailoring lists within a wide spectrum of market niches ensures that a particular target market is better identified, resulting in cost savings and efficiencies in ensuing fulfillment and turnaround time.

As a partner of some of Australia's leading list owners Intellimail is able to procure lists over a comprehensive range of industry and consumer segments.
